Goodbye 2020 and Hello 2021!

2020 was definitely a year many individuals struggled to get through, but we did it!

Hood County is now among many counties to receive the free COVID-19 vaccine. If you have not registered be sure to do so at,
<https://co.hood.tx.us/934/COVID-19-Vaccine-Information>

With the vaccination process well underway in our community, the Executive Board is excited to announce our upcoming March meeting.

This meeting will held on March 3rd, 2021 at 1:00 P.M. Depending upon attendance, the location is to be determined and announced shortly.

The phone committee will be reaching out to our members with more information.

Any member wishing to be added to the March agenda, please e-mail wwcgranbury@gmail.com or feel free to call me at 817-243-4646.

A note from..

To Lori Kaspar and the ladies of the Granbury woman's Wednesday Club,

I have written many thank you's in my life, but I can confidently say that I have never written one for something quite like \$15,000. I hardly know how to begin! This scholarship was one of the greatest blessings I have received during my college career, and I wish that I could tell you each, personally, how grateful I am for this. I understand that your club made a big decision to grant this scholarship to me, and I feel honored that you felt I deserved it.

I also want to thank you for lifting some of the financial burdens of college tuition from me and my family's shoulders. This was a difficult year for many, and as your club has kept me and my family in your thoughts and prayers, you have been in ours as well. I have seen what you all have done for our community, and just as I am grateful for what you have done for me, I know that our community is just as thankful for you all. I hope that I am someday able to do the same for my community.

You are truly a beacon of love and hope in our community, and wonderful examples of women with servant hearts. I hope that each day I can continue to reflect your compassion for the women and the communities around me.

With much gratitude and many thankful prayers later,

Razni Skaggs

A note from..

To Lori Kaspar and Woman's Wednesday Club members,

I was not blessed with beautiful words like my daughter, Rayni, but I would like to thank you from the bottom of my heart for the scholarship that you have awarded to her. We are truly grateful for your organization and for the wonderful service you have provided to the city of Granbury and Hood County for the past 121 years and for the WWC's legacy of presentation of annual scholarships.

Rayni and I were disappointed that we were not able to meet you in person at the banquet that was scheduled in December, but we understand why it had to be cancelled. I hope that we can still meet you someday when it is safe to do so.

I look forward to seeing WWC's works in the news and in our community for many years and I wish you success in your upcoming fundraisers. The city of Granbury is certainly fortunate to have such a wonderful group of ladies.

Again, your generosity to Rayni has been such a huge blessing to us and I would like to extend a heartfelt thank you!

Sincerely,
Cindy Skaggs
